

Welcome Note – by NCT GROUP

On behalf of NCT Group of Companies (NCT), I'm honoured to welcome you to the first ever Genting Highlands International Travel Mart 2019 (GHITM 2019)!

It is an exciting time for the travel and tourism industry as it continues to grow, adapt, remaining always adaptable, motivated and responsive to the growing trends and dynamic ideas. As one of the key players in the industry, it is pivotal to meet these changes head on. And this was the catalyst behind the conceptualisation of this innovative travel and tourism trade convention.

GHITM 2019 is an exciting international trading platform that gathers together local and international travel and tourism industry players and stakeholders from all over the world such as China, Russia, Ukraine, Cambodia, Japan, Korea, India, Thailand, Singapore and Vietnam amongst others.

Let me give you an idea of what to expect and what we hope to achieve over the next days. Aside from the main exhibition, we will schedule 28 B2B matching sessions through our top-of-the-line matching system that will eliminate pointless searches and enhance your networking experience. In addition to this, we have also organised a specially curated Forum and Discussion session to provide you an opportunity to exchange insight as well as share knowledge and experience with your peers.

Last but not least, as the saying goes, "All work and no play makes Jack a dull boy", we have also arranged for a special pre-tour and post-tour activities which will allow you to explore Malaysia and what she has to offer as one of the popular MICE destinations.

Thank you for joining us at GHITM. I look forward to sharing new ideas and exciting discoveries with you.
